Notation

Wiki *Enhanced dissipation for passive scalars*

11 November 2026

Contributors: to be named · Status: skeleton
Discuss on Zulip: #toolkit, topic “Notation”.

The notation and the definitions used throughout the wiki.

1 Notation

[The scalar, the velocity field, the domains, the Fourier modes, the norms.]

2 Definitions

[Dissipation time, enhanced dissipation, and the related notions used in the wiki.]
